

**REMARKS**

Claims 20-36 are now present in this application. By way of the present Amendment, claims 30-36 have been amended.

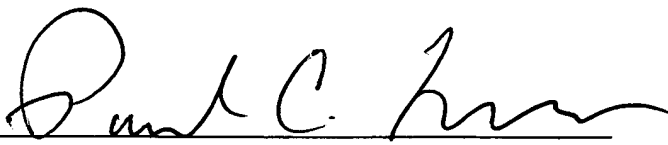

These amendments are designed to correct minor errors in the claims. In particular, the beginning of each claim has been changed to refer to the "chassis" rather than "base" in order to agree with claim 28. In addition, changes have been made to claims 32-34 to put antecedent basis for various terms.

Applicants submit that no new matter has been introduced by way of these changes. Since the changes are designed to correct minor informalities, entry of the Amendment and consideration of the claims are considered proper. Accordingly, an early and favorable action on the merits is respectfully requested. If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§ 1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,
